FDA Food Contact Status and Good Manufacturing Practices
Molded Paper Pulp Fiber Products
From Tacoma WA and Wenatchee WA

Dear Valued Customer:

This letter is in response to your request for a FDA compliance letter, a 21 CFR letter, a Letter of Guarantee, and/or a GMP letter for the products which the Tekni-Plex Consumer Products Division supplies to you. The Fiber part of the Consumer Products Division was formerly Fibro, Keyes, and Wrap Pack.

The components of the above products comply with the applicable FDA regulations for food contact as described in Title 21 (Food and Drugs) of the Code of Federal Regulations. These articles are intended for packaging, storing, and transporting shell eggs and whole fruits under typical handling and storage conditions.

In regard to current Good Manufacturing Practices (cGMP), our plants will manufacture, pack and store plastic components which meet our customers' quality and sanitation requirements and the applicable FDA regulations in 21 CFR 174.5 and 21 CFR 110.

Therefore, the articles comprising each shipment or other delivery hereafter made by Tekni-Plex to, or on the order of your company, are hereby guaranteed, as of the date of such shipment or delivery, to be, on such date, not adulterated or misbranded within the meaning of the Federal Food, Drug, and Cosmetic Act, and not articles which may not, under the provisions of Sections 404, 505, and 512 of the Act, be introduced into interstate commerce.

Please E-Mail me at Ed.McKinley@tekni-plex.com if you have any questions about this matter.
